

21st Annual Santa Fe Bone Symposium
August 7-8, 2020
Eldorado Hotel & Conference Center
309 W. San Francisco Street, Santa Fe, New Mexico

Presented by the Osteoporosis Foundation of New Mexico, a not-for-profit
501(c)3 corporation, with a mission to promote bone health, osteoporosis
education and research

The Santa Fe Bone Symposium is an annual forum devoted to advances in the science and economics of osteoporosis, metabolic bone disease, and assessment of skeletal health. This meeting is for healthcare providers, scientists, and researchers with a special interest in bone disease, and for bone densitometry technologists who seek a higher level of knowledge in their field. Close interaction and collaboration between faculty and participants is an integral part of the Santa Fe Bone Symposium.

General Information

Symposium Dates: Friday & Saturday, August 8-9, 2020

Location: Eldorado Hotel & Conference Center

About the Hotel: Eldorado Hotel & Conference Center places you in the heart of Santa Fe, steps from the Lensic Performing Arts Center and 3 minutes by foot from the Georgia O'Keefe Museum and Historic Santa Fe Plaza with a fantastic variety of shopping and dining choices.

About Santa Fe: Santa Fe, an historic town in northern New Mexico, is the capital of the state. It is home to one of the largest art markets in the world, and has numerous shops, museums, and historical sites. The weather is usually glorious and the scenery always magnificent. The surrounding area provides hiking trails, white-water rafting, ancient cliff dwellings, and pueblos.

Transportation to Santa Fe: The most convenient scheduling and best prices for air travel are usually from your city of departure to the Albuquerque International Airport (airport code ABQ). Santa Fe is located 60 miles northeast of Albuquerque on I-25, with the drive typically taking one hour or less. Commercial shuttles, which should be reserved in advance, provide transportation from the airport to the Eldorado Hotel & Conference Center and back. Airport car rentals are available for those who wish to tour the surrounding area on their own. There is a small airport in Santa Fe (airport code SAF) for private aircraft and limited commercial service.

Climate: In August, Santa Fe temperatures range from an average daytime maximum of 82° F to a nighttime minimum of 55° F. Sunshine is 71%, with occasional evening showers. Dress is casual in the day with a sweater or light jacket needed in the evening.

Santa Fe Opera: This world-renowned outdoor event dominates the social calendar of many opera enthusiasts. The opera house is an architectural marvel that is just a ten-minute drive from the hotel. Many symposium attendees attend the opera but make your reservations early to assure a seat.

CME/CE Accreditation

CME for Physicians: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the New Mexico Medical Society (NMMS) through the joint providership of the Greater Albuquerque Medical Association and the Osteoporosis Foundation of New Mexico. The Greater Albuquerque Medical Association is accredited by the NMMS to provide continuing medical education for physicians. GAMA designates this live activity for a maximum of 11 AMA

PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity. CME credit is pending GAMA Approval.

International Society for Clinical Densitometry (ISCD): 11 credit hours from the symposium can be used towards ISCD recertification.

CE for Nurse Practitioners: AANPCP accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*[™] from organizations accredited by ACCME or a recognized state medical society. Nurse practitioners may receive a maximum of 11 hours of Category I credit for completing this program.

CE for Physician Assistants: AAPA accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*[™] from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 11 hours of Category I credit for completing this program.

CE for Nurses: On the back of the CE certificate, write the reasons the meeting was important to you in your work setting. (Source: New Mexico Nurses Association).

CE for Radiology Technologists: Approved by the ASRT for Category A continuing education credit.

Social Activities & Receptions: Cultural tours of Santa Fe and vicinity are available. There are numerous shops, galleries, restaurants, and gardens nearby. Outdoor activities include hiking, biking, swimming, horseback riding, tennis, and rafting.

Registration: Due to limited seating capacity, registration in advance is advised. The symposium registration fee includes all educational presentations, electronic handouts, CME/CE credit, continental breakfasts, coffee breaks, and lunches.
