

**23RD ANNUAL**  
**SANTA FE**  
**BONE SYMPOSIUM**  
**AUGUST 4-5, 2023**

The Santa Fe Bone Symposium is an annual forum devoted to advances in the science and economics of osteoporosis, metabolic bone disease, and assessment of skeletal health. This meeting is for healthcare providers, scientists, and researchers with a special interest in bone disease, and for bone densitometry technologists who seek a higher level of knowledge in their field. Close interaction and collaboration between faculty and participants is an integral part of the Santa Fe Bone Symposium.

## General Information

**Symposium Dates:** Friday & Saturday, August 4-5, 2023

**Location:** Eldorado Hotel & Conference Center

**About the Hotel:** Eldorado Hotel & Conference Center places you in the heart of Santa Fe, steps from the Lensic Performing Arts Center and 3 minutes by foot from the Georgia O'Keefe Museum and Historic Santa Fe Plaza with a fantastic variety of shopping and dining choices.

***The deadline to reserve your room at the Eldorado Hotel is Tuesday, June 20, 2023.***

**About Santa Fe:** Santa Fe, an historic town in northern New Mexico, is the capital of the state. It is home to one of the largest art markets in the world, and has numerous shops, museums, and historical sites. The weather is usually glorious and the scenery always magnificent. The surrounding area provides hiking trails, white-water rafting, ancient cliff dwellings, and pueblos.

**Transportation to Santa Fe:** The most convenient scheduling and best prices for air travel are usually from your city of departure to the Albuquerque International Airport (airport code ABQ). Santa Fe is located 60 miles northeast of Albuquerque on I-25, with the drive typically taking one hour or less. Commercial shuttles, which should be reserved in advance, provide transportation from the airport to the Eldorado Hotel & Conference Center and back. Airport car rentals are available for those who wish to tour the surrounding area on their own. There is a small airport in Santa Fe (airport code SAF) for private aircraft and limited commercial service.

**Climate:** In August, Santa Fe temperatures range from an average daytime maximum of 82° F to a nighttime minimum of 55° F. Sunshine is 71%, with occasional evening showers. Dress is casual in the day with a sweater or light jacket needed in the evening.

**Santa Fe Opera:** This world-renowned outdoor event dominates the social calendar of many opera enthusiasts. The opera house is an architectural marvel that is just a ten-minute drive from the hotel. The Santa Fe Opera on Friday, August 4, 2023, at 8:00 PM MT, is *Rusalka* by Antonin Dvorak; on Saturday, August 5, 2023, at 8:00 PM MT, the opera is *The Flying Dutchman* by Richard Wagner. If you wish to attend, reservations should be made well in advance at <https://www.santafeopera.org/tickets/#2023-season>.

**Social Activities & Receptions:** Cultural tours of Santa Fe and vicinity are available. There are numerous shops, galleries, restaurants, and gardens nearby. Outdoor activities include hiking, biking, swimming, horseback riding, tennis, and rafting.

**Registration:** Participation in this year's symposium will be available in-person and remotely. The cost for registration is the same for both. Due to limited seating capacity, registration in advance is advised. The symposium registration fee includes all educational presentations, electronic handouts, CME credit, continental breakfasts, coffee breaks, and lunches.

**COVID-19 Precautions:** We are closely monitoring COVID-19 prevalence in accordance with the CDC and public health guidelines. Please check our website periodically for updates on our requirements for in-person attendance. All in-person attendees were required to be vaccinated against COVID-19 to attend the 23<sup>rd</sup> Annual Santa Fe Bone Symposium in 2023.
